Welcome to this extraordinary 2-storey home located in sought-after Wellington Village. With 3,077 sq. ft of above-grade living space + a finished basement, 1 lona offers diverse living options & an abundance of natural light. This expansive light-filled home sits on a generous 100 x 50 lot with a rare double garage & plenty of room for outdoor living. Boasting a beautiful hedged side yard on the east side with a charming patio, the west side showcases a large upper deck. Originally an executive duplex, this home was thoughtfully converted into a spacious single-family residence, making it a standout property in the sought-after neighbourhood. Its attractive red brick exterior & classic architectural details add character & curb appeal. Built in 1931, the home preserves much of its original charm, including beautiful hardwood floors & doors throughout, while offering modern updates that blend seamlessly with its timeless design. The main floor features a spacious living room centred around a cozy gas fireplace, formal dining room, sitting area, office nook & renovated kitchen with centre island & heated floor. A main floor bedroom & full bathroom provide easy access for guests or multi-generational living. Upstairs, you'll find a bright family room with a second gas fireplace, creating an additional space to unwind or convert to a 4th bedroom on this level. The primary suite features a luxurious 5-piece ensuite. Two other bedrooms & full bathroom complete the second floor. The finished basement offers a spacious rec room, additional full bath & two spacious flex rooms, perfect for home office, guest room or granny suite. Incredible location across from Fisher Park, steps to Elmdale PS, & all of the trendy boutiques, cafes & restaurants of Wellington Village. A perfect blend of historical elegance & contemporary comfort, this home is ideal for those seeking a distinctive & spacious property in one of Ottawa's most desirable neighbourhoods. A truly special property!
